NOTE

The following information was noted at the time of destuffing of the container noted above. The exceptions noticed are for general information only, and any comments reflect the external appearance of the packaging only. Unless specifically noted, TDK Logistics makes no claim as to the state or condition of any of the packages received or their contents. TDK is in no way responsible for hidden damage, internal damage, or goods missing from inside cartons or boxes. All goods handled subject to standard terms and conditions and limitations of liability. Goods may be held for payment of any charges owing.
